WHY PLAY TENNIS?

Tennis is known as a "sport for a lifetime." Not only is tennis a great workout, you can gain speed, eye-hand coordination, flexibility, agility, balance, and much more. Tennis is a great sport to start early in life but can just as easily be an excellent sport to pick up later in life as well, but most importantly Tennis is FUN! Develop friendships, be outdoors, experience enjoyment, competitiveness and physical challenges that truly make tennis a well rounded sport.

COMMUNITY CLINICS:

A good way to get started with an inexpensive price. These classes are good for meeting new people and are usually a little lower paced due to their size. They are also good for judging a player's interest in tennis.
